EVERY STUDENT SUCCEEDING AWARD

Every year, the Association of California School Administrators from Region 3 recognizes students for the "Every Student Succeeding Award." This award honors students who have overcome significant challenges to achieve success. ACSA awarded three of COA's students with this prestigious recognition: Anton Rybakov, Adriel Anikhimik, and Arina Bugera. These students were honored by GCC with a dinner and their awards for their continuous perseverance and dedication despite facing extraordinary challenges on a daily basis. This occasion truly exemplifies our commitment to doing everything possible to support our students.

Ежегодно, Ассоциация Школьных Администраторов Калифорнии (ACSA / Регион 3) награждает учащихся премией "Every Student Succeeding Award". Эта престижная награда присуждается студентам, которые преодолели серьезные трудности на пути к успеху. В этом году, ACSA наградила троих студентов школы COA: Anton Rybakov, Adriel Anikhimik, и Arina Bugera. Эти студенты провели ужин с администрацией GCC и получили награды за их постоянную настойчивость и преданность учебе, несмотря на то, что они ежедневно сталкивались с большими трудностями.

WHY I LOVE COA

We love COA for so many reasons. First and foremost, the teachers are incredibly kind and supportive. They make learning fun and always encourage kids. We're thankful for their ability to teach students, and of course, for their dedication. The school environment is welcoming, and my son has made wonderful friends who make each day at school

enjoyable. Our school also offers a variety of interesting activities and clubs, allowing our kids to explore their interests beyond the classroom. The facilities are well-maintained, providing a comfortable and safe space for studying and socializing. COA has become a second home for our son, filled with positive experiences and opportunities for personal growth.
