

Parent Involvement, School Site Council (SSC) and ELAC Committee

As schools of choice, all charters schools have something in common — they are places where meaningful parental involvement is encouraged and valued. Few things are more critical to the success of schools than parent involvement. Our charter was established in response to a need in the community/parents and from the very beginning has been strongly sensitive to meeting those needs on an ongoing basis. Parents are a child's first teacher and strong interaction between families, communities and schools is vital for student achievement. Parent volunteer work for their school can never be taken for granted, and as educators/professionals we appreciate and honor the parents who take their precious time to help our school.

At Community Outreach Academy, we believe that together with the parents and community, we can make a difference. We encourage you to be an active participant in the educational process. There are several ways that you can participate. You may contact your child's teacher to help in the classroom or you can ask site managers about volunteers opportunities at our school sites. This year we especially need parents of our English Learners to serve on the English Learner Advisory Committee (ELAC) and are looking for parents to serve on the School Site Council (SSC).

ELAC and SSC are elected groups of parents and staff. ELAC is intended for parents of English Learners to advise the principal and school staff on programs and services for English Learners. SSC' primary responsibility is to assist in developing, approving and annually revising the school site academic plan. In addition, the SSC oversee the site-based budgeting of categorical funds. Currently, we are in the process of electing members of the School Site Council (SSC) & English Learner Advisory Committee (ELAC) for the next two school years. You've already been asked to submit your name or nominate another parent to become a member of the SSC or ELAC. Now, we ask you to please **SELECT CANDIDATES** from the enclosed forms (check the candidates that you wish to choose) and bring the forms back to our school's office by Monday, September 17th, 2018. Thank you for your continued support.

Как школы выбора, все чартерные школы имеют нечто общее — это школы, в которых поощряется и ценится активное родительское участие. Немного факторов являются более важными для успеха школы, чем родительское участие. Наша чартерная школа была создана, как ответ на нужды общины/родителей и с самого начала очень серьезно относится к текущим нуждам и запросам родителей. Родители являются первыми учителями ребенка и тесное взаимодействие между семьями, общиной и школами является жизненно важным для успешного развития студентов. Добровольная помощь школе со стороны родителей никогда не может считаться чем-то само собой разумеющимся. И, как профессиональные работники сферы образования, мы ценим и благодарим тех родителей, кто отдает часть своего драгоценного времени для того, чтобы помочь школе.

Персонал школы Community Outreach Academy верит, что вместе с родителями и при поддержке общины мы сможем добиться успехов. Мы поощряем всех наших родителей быть активными участниками в процессе школьного образования. Имеется ряд возможностей для родительского участия. Вы можете связаться с учителем вашего ребенка и оказывать помощь в классе; вы можете также спросить наших школьных менеджеров - какая помощь им нужна в офисах или на территории школы. В этом году мы особенно нуждаемся в кандидатах от родителей EL студентов для работы в Комитете по Изучению Английского Языка (ELAC). Мы также ищем кандидатов для работы в Школьном Совете (SSC).

*ELAC и SSC — это школьные комитеты, которые избираются и состоят из родителей и сотрудников школы. Комитет ELAC дает возможность родителям EL студентов консультировать директора и персонал школы по программам и услугам для EL студентов. Главная задача Школьного Совета (SSC) - содействовать в развитии, утверждении и ежегодной ревизии академического плана школы. Дополнительно, Школьный Совет осуществляет надзор за бюджетом школы (categorical funds). В настоящее время, мы находимся в процессе избрания членов Школьного Совета (SSC) и Консультативного комитета по изучению английского языка на следующие два учебных года. Мы уже просили вас выдвинуть свою кандидатуру или рекомендовать другого родителя для участия в работе этих комитетов. Пожалуйста, **ВЫБЕРИТЕ КАНДИДАТОВ** из прилагаемых к данному письму форм/списков (отметьте фамилии кандидатов, которых Вы хотите выбрать) и передайте эти формы в офис школы до 17-го сентября, 2018. Спасибо вам за постоянную поддержку нашей школы.*

2018-2019 Parent Workshops Survey

Dear Parents!

At our school, we value your feedback. We are currently conducting a parent survey to find out what types of parental training programs you would like to see us offer. **Please fill out the following survey and return it to your child's teacher by Monday, September 17, 2018.** Your feedback is completely anonymous. We appreciate your participation! Thank you in advance.

Уважаемые родители!

Для нас очень ценно ваше мнение. В настоящее время мы проводим опрос родителей с целью выяснения, какие темы семинаров для вечеров просвещения вас более всего интересуют. **Пожалуйста, заполните следующую анкету и возвратите ее учителю вашего ребенка до 17-го сентября (понедельник), 2018.** Мы гарантируем абсолютную анонимность вашей анкеты и ценим ваше участие. Спасибо заранее!

2018-2020 School Years

School Site Council

Parent Representatives Elections

Dear Parents! We are in the process of electing the members of the School Site Council (SSC) for the next two school years. **Please SELECT THREE (3) CANDIDATES** from the list below (check the candidates that you wish to choose) and bring this form back to our school's office **by Monday, September 17, 2018**. THANK YOU!

ANNA KALINYUK (running for re-election). I am a proud mother of three handsome, smart soccer players and one beautiful, sweet daughter. My sons' ages are 15, 10, and 8 and our princess is 4 years old. My oldest son, Mark, goes to High School (10th grade) and he is an outstanding student with excellent discipline habits. He also plays for his high school's soccer team. My second son, Daniel, is in the 5th grade and he is the friendliest and sweetest boy. Our third son, Elijah, is in the 3rd grade and he's just a joy to be around. Our daughter, Grace, is such a happy child and is lucky to have all of her brothers there to protect her and she is patiently waiting to start kindergarten next year. As a School Site Council member, I guarantee that I will work tirelessly for our students and will perform with diligence, consistency, and passion, because our kids are worth it!

PAVEL EFREMOV (running for re-election). I've been in US for 25 years. I am a father of a student at COA elementary, one at COA Middle and one at Futures High School. I have been involved with SSC and school life for the last 12 years. My personal belief is that our children can succeed in school and later in life if we, parents, do as much as possible to help them and relay our Christian values to them from a younger age. While teaching at ARC, I realized that our students have an advantage, knowing two cultures and two languages and that what we have here at COA. Being bilingual is an advantage our kids will have for life; it always helps me in my work at Sutter Hospital. I encourage all parents get involved in school activities. Many improvements we have at COA elementary today and still in progress were done because of parent involvement and passion for our kids. Together we can help our children in learning today and in the future!

IRENE CHEKRYGIN (running for re-election). I would be glad to continue serving our students and parents on the School Site Council and participate in important decision-making processes regarding our school. My prior experience serving on the SSC will help me represent us, parents as whole, and address many matters that arise not only at the school itself, but also in our children's daily school life. As a mother, I am not only concerned about my child, who attends this school, but I also deeply care about her peers. I would encourage more parents to volunteer! Together, let's make a difference in our children's lives!

ALLA MARCHAK. I care for the success of our children and I would like to see our children succeed now and in the future. My belief is that if I do something to be helpful to our children now, then we will see change in them in the future. I would like to be an active parent, who helps our children get the best for their future today. I like this quote, "Passion is different from interest. Those who are just interested in things have the "wish", but passionate people have the "will" (Israelmore Ayivor). I want our kids to get the best education and I will do everything I can to help them.

KATIE ROMANOVICH. I am a great candidate for SST because as a mother of two students, it is crucial to me for them to be in a safe, clean, and strong education based school. I am concerned about our children and raising them to be future leaders of this country. It is crucial for children to utilize all the opportunities that are at their fingertips and it is crucial that our school is focusing on the current technologies as well as making it accessible to our students. Teachers need to be well-equipped to adapt to every student, making school a pleasant experience as well as a making learning an exciting accomplishment. These are my main focuses as to why I should be considered for SST.

MARINA KONSTANTYNOVA. I am a mother of five amazing, beautiful children, their education is very important for me! I would love to support COA School, advocate for services and promote learning for our children! I am very passion to offer my different experience working with children ministry as a Sunday School Teacher and coordinator of activities.
