2018-2019 First Day of School

August 15, 2018 (Wednesday)

As the school year comes to a close, our minds and hearts are filled to the brim. It's been a great year! What a school! Together we've learned much and shared experiences that will long remain with us in the years to come. The strength of our community and wholehearted passion to make our school a wonderful place of learning for our children primarily but for all of us makes Community Outreach Academy truly a special place.

Outreach Academy truly a special place.

Special thanks to all of you who have contributed in ways small, large, and unimaginable! Lesson planning, planning field trips, organizing events, working at these events, showing up to events, helping in the garden, serving on committees such as School Site Council, ELAC Committee, doing amazing projects with your students, sharing your talents... supporting each other in countless ways and providing the resources to do what we dream and know is good for our students. For these, and a million other things, I am truly grateful for our COA staff and families. Thank you parents, students, teachers, staff and administrators for a wonderful school year. With such hard working and amazing people, I know that our school can only grow. Have a wonderful and safe summer!

Larissa Gonchar, Principal

Очередной учебный год подходит к завершению, и наши сердца переполнены до краев — это был действительно замечательный год! Вместе мы многому научились и приобрели знания и опыт, которые останутся с нами на все последующие годы. Сила нашей общины и искреннее желание сделать школу замечательным местом как для детей, так и для всех нас — способствуют тому, что школа Community Outreach Academy на самом деле является особенным местом для обучения. Отдельная благодарность всем, кто внес свой посильный вклад в развитие школы, участвуя в различных проектах (маленьких, больших, и даже немыслимых)! Планирование уроков и учебных экскурсий, организация и участие в различных мероприятиях, забота о школьном саде и огороде, участие в различных комитетах (Школьный Совет, Комитет по Английскому Языку), а также работа над учебными проектами вместе со студентами, служение друг другу своими талантами... поддержка друг друга в различных обстоятельствах и обмен полезными ресурсами с целью превращения наших планов в реальность и для лучшего служения студентам — за все это, как и за миллионы других вещей, я благодарна сотрудникам школы COA и всем нашим семьям. Спасибо всем родителям, студентам, учителям, сотрудникам и администраторам за успешный учебный год. Благодаря таким замечательным и трудолюбивым людям, наша школа будет расти и преуспевать. Желаю вам замечательного и безопасного лета!

2018 PARENT APPRECIATION TEA

We have many active parents/volunteers in our school and we highly appreciate all of their involvement and dedication. On May 8, 2018, delicious lunch and gifts of appreciation were provided for them. We really appreciate all of our parent volunteers and feel so grateful to have them as a part of Community Outreach Academy. Mariya Fatullayeva volunteered more than 300 hours this school year! We are very thankful for people like her.

Thank you, Parents!

*Congratulations to

Congratulations to all 2018 Spelling Bee Participants & Winners!

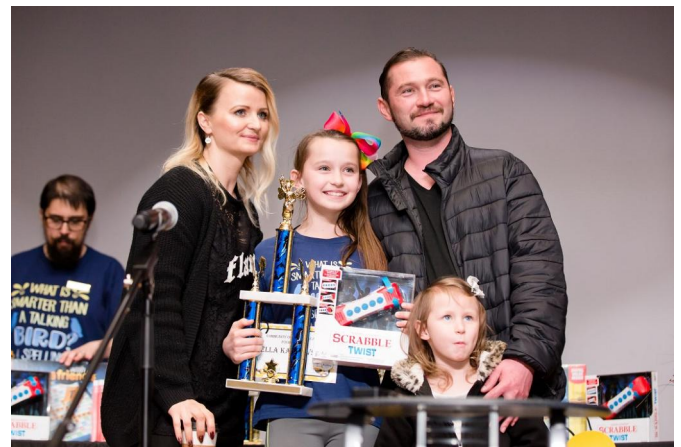

I had the wonderful privilege to be one of the judges for the Spelling Bee this year, so I had a front row seat to all the excitement! The entire event was a great success, but a few things stood out to me. I loved being able to watch the competing students in the spotlight and see their wheels turning—some of them would pause for quite a while... and just when you'd think they might be done, they'd come out with every letter in the right order! It was quite amazing! I also loved seeing the support students showed for their peers; several audience members showed up with decorated posters cheering their classmates on. It was an awesome event, and I already can't wait for next year!
