SCHOOL SITE COUNCIL (SSC)

THE SCHOOL SITE COUNCIL (SSC) plays an important role in decision-making at our school. The SSC is a group of teachers, parents and classified employees (10 members) that works with the principal to develop, review and evaluate school Curriculum, improvement programs and school budgets. In addition to academic and budget planning, our site council is also responsible for making decisions about parent engagement, safety and discipline. The members of the site council are generally elected by their peers. For example, parents elect the parent representatives and teachers elect teachers.
